

beCHARGE Competition Rules – 2021

Period

Every week in June:

- From June 4 to 11
- From 11 to 18 June
- From June 18 to 25
- From June 25 to July 2

The price

Each winner selected at random from all the correct answers will receive a code worth €25 to be redeemed on beCHARGE for a top-up code of the product of choice from a selection offered per country. There will be a maximum of twenty winners per week. The various products participating in the competition will be presented on beCHARGE on a page dedicated to the said competitions. The winning codes will not be exchanged for cash under any circumstances and will only be redeemable for products on the beCHARGE competition page. Their validity is the same as imposed by the brands.

Eligibility - this is a no-purchase contest

To be eligible for the contest, entrants must be 18 years of age or older. In the event that a participant attempts to circumvent the rules of the contest, he will be automatically dismissed by the organizers. The winners must use the codes received in one of the European countries where beCHARGE is present.

How to participate ?

Each Facebook profile included in the beCHARGE group's "fan base" will have access to the contests. Each beCHARGE customer will also be informed of the weekly contests. The participations relate to the participation rules set out in our posts on Facebook: "like" of the page, "like" of the contest publication, answer to the question. Each participant can participate only once per week. By sharing the contest on his Facebook profile, he increases and doubles his chances of winning.

Selection of the winner

Each week, on Friday except public holiday, a maximum of twenty names will be drawn at random from the group of contest participants who correctly answered the rules prescribed in the contest publication on Facebook. No purchase is required to win, as the Facebook contest is open to everyone and included in the same raffle. Winners are selected at random from all correct entries, including, but not limited to, using the Sorteos app (<https://app-sorteos.com/fr/apps/facebook-selecteur-commentaires-aleatoires>).

Periodicity

The contest is weekly, as soon as it is posted on Facebook on Friday and ends the following Thursday at midnight, but the frequency can be changed without notice by the organizers. The results of the competition will be announced every following Friday afternoon, with postponement to the next working day if it is a public holiday, on the beCHARGE Facebook page. The organizers can end the competition at any time without notice.

Announcement of winners

Winners will be contacted directly by email or direct message (if they entered via Facebook with no other contact details). Winners must respond within 5 days to claim their price. In the case of contact by direct message, they must specify a valid e-mail address. In all cases, the contacted people must specify the country in which they want to use their code. If they do not respond or if they cannot provide a country among the 10 sites on beCHARGE.com, they will be automatically and irretrievably removed from the list and another winner will be drawn.

Communication

The organizers will not respond to the various requests made by participants or other non-participants. The regulations on the beCHARGE site, country by country, are THE only ones on which the participant must rely.
